**FACULTY VERIFICATION STATEMENT**

The attached customized course pack request form lists all of the copyrighted items for my pack.

Any material in the course pack not listed on the bibliography is solely my own original work or is in the public domain and not subject to copyright. I understand that included in the material for which permission must be obtained from the copyright owners are the following examples which is not an exclusive list: maps, blueprints, architectural drawings, sheet music, photographs, graphs, software manuals, journal articles or any page from a book.

I understand that only the copyrighted material for which you receive permission will be included in the customized course pack. The Binghamton University Copy Center will not copy any such materials without permission from the copyright owner.

Please put an X in the box if you agree to the terms.
